Purpose and functionality

"Ask for Products" is a module developed by 4webs in order that your customers can make queries about a particular product in your store, directed to the email you decide.

So, this module enables a form in the tab of each product in the frontend of your store, where your customers can easily enter their contact information and the query they wish to make about the product in question.

When a client completes the fields of the form and sends it, the site administrator receives an email whose subject will include the name of the product on which the query was made.

Thanks to this module, you will be able to solve the doubts of your clients as soon as possible, increasing the satisfaction level of them and improving the conversion.

Technical description and requirements

VERSION: 1.0.0

COMPATIBILITY: v1.6 and v1.7

Installation and configuration

First of all, you need to upload the module to the server. Thus, you can find it in your browser module as "Ask for Products" and click on the option "Install".

Here are some screenshots that graphically explain the simple setup process of "Mass Order Management" is. Once installed, locate the module in Prestashop list and access their options through the "Configure" button, indicated in the image below.

The screenshot displays the Prestashop administration interface for managing modules. At the top, there's a search bar with the text "ASK FOR PRODUCTS" and a search icon. Below the search bar, there are buttons for "UPLOAD A MODULE" and "CONNECT TO ADDONS MARKETPLACE". The main content area is titled "Manage installed modules" and shows a list of modules. The "Ask for products" module is highlighted, showing its description: "Customers can ask for products information in product page by mail" and a "CONFIGURE" button. Below this, there are 8 built-in modules listed, each with a description and a "CONFIGURE" or "DISABLE" button. The modules are: "Registered customer information", "Best-selling products", "Stats Dashboard", "Available quantities", "Dashboard Goals", and "Data mining for statistics".

After that, the following screen appears asking you to enter the email address where you want to receive the product inquiries that your customers make.

The screenshot displays the configuration page for the 'Ask for products' module. At the top, there is a navigation bar with 'askforproducts' and a user profile icon. Below this, the page title is 'Configure Ask for products'. The main content area is titled 'ABOUT OF ASK FOR PRODUCTS' and contains several icons: 'HELP', 'SUPPORT', 'VOTE', '4webs', and 'PARTNERSHIP PARTNER PLATINUM'. Below this is the 'SETTINGS' section, which contains an 'Email' input field with a placeholder 'Enter a valid email address'. A blue arrow labeled '1' points to the email input field. At the bottom right of the settings section, there is a 'Save' button, with a blue arrow labeled '2' pointing to it. The footer of the page features a blue banner with the text 'E-MAIL IN WHICH YOU WANT TO RECEIVE PRODUCT CONSULTATIONS'.

1. Enter the email address where you want to receive the queries of your customers.
2. Save this setting to start receiving queries.

To verify that the product query box appears in your store, go to any category of products (in the frontend) and access a product as shown in the capture below:

The screenshot displays a product page layout. At the top is a featured banner with a background image of a man and a woman. The banner contains the text "SAMPLE 1" and "EXCEPTEUR OCCAECAT", followed by a paragraph of Lorem Ipsum text. Below the banner is a section titled "PRODUCTOS DESTACADOS" (Featured Products). This section contains a grid of seven product cards. Each card shows a model wearing a different piece of clothing, with a "NUEVO" (New) badge in the top left corner. The third card in the top row has a magnifying glass icon and the text "Vista rápida" (Quick view) below the image. The bottom row of cards includes discount badges: "-5%" for the first card and "-20%" for the third card. The prices are listed at the bottom of each card.

Product Name	Price
Camiseta Efecto Desteñido...	19,98 €
Blusa	32,66 €
Vestido Estampado	31,45 €
Vestido Estampado	61,70 €
Vestido De Verano Estampado	36,91 € - 35,06 € (-5%)
Vestido De Verano Estampado	36,91 €
Vestido De Gasa Estampado	24,81 € - 19,85 € (-20%)

Within the product in question, you will find a box (indicated in the image below), in which customers who want to make an inquiry can do so by clicking on the "Ask about it"

The image shows a product page for a printed dress. The page has a blue header with the text "CLASSIC" and "WOMEN". A search bar is located in the top right corner. The breadcrumb trail reads "Inicio / Women / Dresses / Casual Dresses / Vestido estampado". The product is titled "VESTIDO ESTAMPADO" and priced at "31,45 €". It includes a "NUEVO" badge and a main image of a woman wearing the dress. Below the main image are two smaller thumbnail images. The product details include "Impuestos incluidos", a description of the dress, and options for "Tamaño" (S) and "Color" (orange). The quantity is set to 1, and there is an "AÑADIR AL CARRITO" button with a "En stock" indicator. Social sharing icons for Facebook, Twitter, Google+, and Pinterest are present. At the bottom of the product section, there is a consultation box titled "Tiene una pregunta acerca de este producto?" featuring a man's image and a "PREGUNTE SOBRE EL" button with a right-pointing arrow.

VISIBLE CONSULTATION TABLE FOR YOUR CUSTOMERS FROM YOUR PRODUCT SHEET

Before that, the query box will be displayed allowing your client to enter company data, name, surname, phone, email and product inquiry. When filling in at least the required fields, you can click on "Submit question". After that, you will receive this query at the email address you saved in the module configuration.

The image shows a screenshot of a product page interface. At the top, there is a blue header bar. Below it, on the left, are two small images of a woman in a red dress. To the right of these images is a 'Compartir' (Share) section with icons for Facebook, Twitter, Google+, and Pinterest. The main content area features a white box titled 'Tiene una pregunta acerca de este producto?' (Do you have a question about this product?). Inside this box, there is a profile picture of a man in a suit and a blue button labeled 'PREGUNTE SOBRE EL' (ASK ABOUT IT). Below this, there are several input fields: 'Empresa' (Company), 'Nombre *' (Name), 'Apellido *' (Surname), 'Teléfono *' (Phone), 'Correo electrónico *' (Email), and 'Pregunta *' (Question). A note below the question field states 'Longitud máxima de la pregunta 600 caracteres' (Maximum length of the question 600 characters). At the bottom of the form is a grey button labeled 'Enviar pregunta' (Send question). The entire page is set against a light grey background with a blue footer bar at the bottom.
